

Board of Ethics Town of Ridgefield

Annual Report – 2025

Pursuant to Ridgefield Town Charter Section 11-10

During 2025 The Board of Ethics of the Town of Ridgefield (the Board) held four meetings.

Of the four meetings, two were public meetings: one regular meeting was held in January as required by the Board's Rules and Regulations while the other was held in September. Following the adjournment of both meetings, the Board immediately moved into Executive Session. In January to consider a request for an Advisory Opinion (AO) and in September to consider a complaint filed with the Board. For purposes of this report, these sessions are counted as two meetings. Of the other two meetings, one was held in June to consider a request for an AO, while the other was held in August to consider a complaint filed with the Board.

In all matters brought to the Board for its consideration, a conclusion was reached and issued timely.

The Board has filed its yearly attendance report with the Town Clerk and has no recommended changes to its Rules and Regulations.

Respectfully submitted

John Zembron, Secretary
