

# Call for Volunteers

## Town of Ridgefield Architectural Advisory Committee

We are looking for volunteers to serve on the AAC/VDC. This is an excellent opportunity to get involved in the Town of Ridgefield and help preserve and enhance the character of this wonderful community.

We are now accepting applications for design professionals who have expertise in **architecture, landscape architecture, lighting, planning, graphic design, and related design professions**. Applicants must reside in Ridgefield.

**If you share our passion and commitment to the community and want to get involved, we would love to hear from you.**
