The Chair called the meeting to order at 7:00pm.

After discussion, the Chair moved to approve the unapproved minutes from the Board meetings held on January 22 and May 5, 2026. M. Pallai seconded the motion, which passed unanimously.

The Chair led a discussion of the Board's rules and regulations, and related working practices. The Board briefly reviewed members' term status. The Chair suggested that each member confirm their status and promptly seek reappointment if necessary.

The meeting adjourned at 8:15pm after the Chair moved to adjourn, M. Pallai seconded the motion, and the Board approved it unanimously.
