

Deer Management Implementation Committee Meeting Minutes
March 5, 2026 - 7:00 p.m.
Town Hall Lower Level Conference Room, 400 Main Street

In Attendance:

1. Stefano Zandri
2. Paul Payne
3. Stephen Scala
4. Tony Markert, member of the Conservation Commission was also present and spoke during public comment.

Meeting minutes for June 5, 2025 meeting were reviewed and accepted. Motion by Stephen Scala, second by Paul Payne.

Public comment was moved up on the agenda due to Conservation Commission member Tony Markert wishing to speak. Tony stated that members of his commission were not opposed to more deer being harvested by the DMIC in the coming years. Chair Zandri stated that it was possible, however, more properties would be required each year. DMIC would increase the number of hunters and committee members as needed. Tony said that he would take this information back to the Conservation Commission.

Chair Zandri said that he had a visit at his home by a Conservation Officer who was checking deer tagging operations. No issues reported.
