Staff Present: Golf Director and General Manager: Mr. Sergiovanni

The meeting was called to order at 7:32 pm.

Item #1: Public Comment – none

Item #2: Review minutes from previous meetings

- A motion was made, seconded, and unanimously adopted to approve the minutes of the May 17, 2023 meeting as written.

Item #3:

Mr. Sergiovanni:

Course:

- Water is extremely low and buying water is not practical. It is highly unusual for us to be in such a position in the middle of June.
- Mike Ippoliti is working with the IWB on a permit to reclaim the depth of the ponds to their original condition. They are now filled with many feet of sediment.
- We are giving consideration to drilling well from which to water. The main pond at 2 and 11 is fed from runoff which we need to keep in the pond until we need it.

Operations:

- With only nine days left in the fiscal year, we are very close to our all-time revenue record. This is with several rainouts late last summer and during the spring.

Item #4: Possible discussion with Alternate Member Applicants

- Trudy Devore and Dick Moccia attended the meeting. Committee members asked them questions about their backgrounds and why they want to be part of the Committee. Both Trudy and Dick want to be part of the Committee for all the right reasons and would be welcome additions.

Item #5: Old business – none

Item #6: New business – none

A motion was made, accepted, and unanimously adopted to adjourn the meeting at 7:51 pm.
