Update from Mr. Sergiovanni

Financials:

1. For the fiscal year of 7/1/25 – 06/30/26, the revenues will likely be an all time high.
2. In the fall, the committee will review all of the fees.

Course:

1. The driving range nets on the north side are being replaced. The work should be complete by week's end. The cost was about \$35,000.
2. The course is testing an autonomous lawn mower. To date, it has performed well in mowing areas that are steep and hard to get traditional mowers on. The usage allows the grounds crew to focus on other important maintenance items.
3. Tee replacement on holes #11 and #15 should happen in the fall.
4. The committee agreed to schedule a meeting with the Board of Selectman in the fall to discuss the condition of the sprinkler system.
