1. **32 High Ridge Avenue** - Proposed installation of two stone pillars with lighting at driveway entrance and a stone pillar for a mailbox

Mr. Robert Liesegang of Liesegang Building & Remodeling was in attendance.

Mr. Liesegang said the prior rusted metal posts were being replaced with granite pillars in the same location at the top of the driveway, as was the mailbox. Schematics of the lanterns, granite posts and mailbox had been emailed to the Commission members earlier.

Mr. O’Kane asked if there would be a granite cap on top of the granite post and underneath the lantern. Mr. Liesegang said yes. Ms. Kaplan said it was not objectionable. Mr. O’Kane said usually the posts were white. Ms. Kaplan said she was ok with the granite look. Ms. Daughters agreed. Ms. Hanlon said it looked fancy. She was ok with it too. Mr. O’Kane agreed.
