The individual requesting an Advisory Opinion

With a quorum of members present, the Chairman called the meeting to order at 7:32pm.

The Chairman commented that the meeting was convened to continue the Board's consideration of the matter discussed at its March 1, 2021 meeting and more specifically to have the individual who is requesting an Advisory Opinion join the meeting to respond to the Board's questions regarding the request.

At the end of the discussions, with no further questions, the individual requesting an Advisory Opinion was excused and the Board continued its deliberations.

Following further discussion, the Board concluded that it had sufficient information and clarity as to the matter raised. Board member McLaughlin agreed to prepare an initial draft Advisory Opinion and to circulate the draft to the other members of the Board for their comments and approval before transmittal of the final version.

The meeting concluded at 9:02pm.

Respectfully submitted,
John Zembron
Secretary
