Mr. Beecher, Board Counsel informed the process of deliberation. He stated that the Board while making a decision for denial will have to state on record the reasons and the Board will have to determine that there is a feasible and prudent alternative that may have less adverse impact on wetlands and watercourses. The Board must propose on record the alternatives the applicant didn't present.

Mr. Bishop asked the Board which direction the decision is leaning to? The members agreed that the decision is leaning towards denial.

As per Mr. Beecher's statement, members discussed and stated on the record the reasons for denial. The members also stated the feasible and prudent alternative. Criteria of decision process was based on the expert testimonies of the peer reviews and the expertise of the Board members.

**Ms. Miller motioned to approve the resolution of denial for the Plenary Ruling application with the reasons stated. Mr. Pilch seconded. Motion carried unanimously.**

#### **VIII: Adjourn**

Mr. Bishop adjourned the meeting at 8:23 PM
