**Agenda**

**Presentation and question and answer session regarding the Town's Wastewater Facilities Upgrade Project.**

**Planning for the upgrade and capital needs of the Town's wastewater facilities has been underway for several years, with upgrades now proposed with a funding approval referendum vote scheduled for November 2018. WPCA members will provide information about what is proposed, why the upgrades are necessary, the estimated cost, what funding assistance is being offered, project schedule, and other relevant aspects of this important project.**
