

Resilient Connecticut WestCOG Regional Workshop

Regional Vulnerabilities and Resilience Opportunities
May 26, 2021 --- 1:00 pm to 3:00 pm

Following up on the [winter workshops](#), join the Resilient Connecticut team for our spring series across New Haven and Fairfield Counties.

This workshop will focus on the regional vulnerability results that emerged from our outreach, research, and technical analysis. The workshop will present highly vulnerable areas and potential resilience opportunity areas. The workshop will include small group collaborative exercises to explore select resilience opportunity areas.

Your local knowledge and expertise are important as we wrap up this phase of the Resilient Connecticut project. We encourage you to learn more by reading the project [Story Map](#) and use the "Provide Input" tab to help shape resilient communities in your region.

Please register by **May 19, 2021** at the following: <https://s.uconn.edu/westcog2may>. After registering, you will receive a confirmation email on how to join the meeting. Participants will also receive information beforehand to prepare for this collaborative workshop.
