Please mention Land Use Workshop in subject line. Workshop is limited to 50 attendees.

Please RSVP by Monday, January 6, 2020.

The Academy Basic Training is for those local land use commissioners who are new to their respective boards and/or commissions or for experienced commissioners who just want a refresher.

Topics Covered:

Legal Requirements & Procedures, Roles & Responsibilities

Provides a basic understanding of legal principals and procedures that must be adhered to so that legal challenges to decisions or other actions are minimized. Gives land use commissioners and board members an overview of the source of their authority, their role in relation to other land use commissions, current land use issues they should consider, and their responsibility to be fair and unbiased in their decision making. This sessions is interactive using “clickers” and case studies.

The instructor is Bruce Hyde, AICP, Land Use Academy Director
UConn Center for Land Use Education and Research
