

## ROAD REPORT for SCENIC ROAD REQUEST

- Madeline Drive- Overall condition of the road is good. There is some edge cracking. We recently repaired potholes in the area of House #50. There is some “alligator cracking.”
  - Lookout Drive- Overall condition is poor. It is a rough ride. There are potholes, as well as several types of cracking [edge, longitudinal, and transverse]. There is also a drainage issue in the area of House #31.
  - Rita Road- Overall condition is fair. The road is rough, with potholes between House #5 and #15, and edge washout on the hill near the beach.
  - Rustic Drive- The overall road condition is fair. There is some edge cracking.
- 
- Water’s Edge Way- Overall condition is good. No action required.
  - Lake-View Drive- The overall condition is poor. It is a rough ride. There is some edge cracking, as well as severe alligator cracking. There are also multiple drainage issues.
  - Highview Road- Overall condition is poor. It is a rough ride with edge cracking.

There are currently no plans for these roads over the next five years, other than limited maintenance as stated in *Private Road Code 310-58*.
