COMMENTS, EXCEPTIONS AND/OR RECOMMENDED CONDITIONS

The VDC approves this project as submitted with the following comments:

1) A landscape plan should be developed by a Landscape Architect for the area around Town Hall along Main St. and Bailey Avenue. We expect this to be a Town project.
2) The tree being removed should be replaced as part of the landscape plan.
3) In the future, plans for memorials should be submitted in preliminary form to the AAC/VDC for design review as was done for the 911 Memorial.
