NEW BUSINESS

The new theatrical company ACT of CT kick off its first production on June 7th. Mama Mia opened to rave reviews for the performances from Equity actors. This new venue is a great addition to the Town’s cultural and arts community and without question will add to the Town’s economic vitality by attracting many new visitors mostly from outside of 06877.

Because of the many new weekend events that have been created the issue of housing people from out of town has surfaced many times. Cathy Savoca who has experience in the hospitality industry was asked numerous question about the proper use and legal issues that face those that would rent rooms.

Arnold Light adjourned the meeting at 7:49 p.m.
