These minutes are an overview of the meeting; not a verbatim text.

The meeting was called to order at 7:00pm by Chairman Frey

1. APPROVAL OF MINUTES

Chairman Frey requested a motion to accept the minutes of the May 11, 2023 Police Commission Meeting. Commissioner Money made a motion and Commissioner Dornfeld seconded the motion.

All in Favor

Minutes of May 11, 2023 Police Commission Meeting accepted as written.

The motion carried 4-0. Commissioner Coffin was absent.

2. PUBLIC COMMENT

West Mountain Road resident Susan Consentino, who was present at the meeting, voiced her concerns about some of the roads/intersections in town. One intersection of her concern is the intersection of Old Sib Road and Blue Ridge Road.

She stated that an advisory sign stating that traffic does not stop would be beneficial as well. The Chief and the Commission agreed and advised her that Sgt. Caswell will be reviewing the intersection. Chief Kreitz stated that the Highway Department has already been notified regarding cutting back the foliage for improved sight lines.

Susan was also requested for us to review the speed limit on Mulberry Street. Sgt. Caswell will review the area and offer recommendations. She was also concerned about the truck traffic on the road. Chief Kreitz explained the limitations with making the road a "No Thru Truck" roadway.

Susan also requested radar enforcement on West Mountain Road and was instructed to fill out a speeding complaint form.

3. COMMISSION CORRESPONDENCE

A. Voicemail

There was no voicemail received by Commissioner Caporale for the month of May.

B. Written Correspondence

Chief Kreitz stated he received one Highway Use Permit, which was signed by Chairman Frey-

5. OLD BUSINESS

A. Hiring Update

Chief Kreitz stated that conditional offers have been given and we are now in the background phase of the hiring process for the police officer positions.

B. Public Safety Building Update

Jake Muller (Director of Facilities and Purchasing) continues to be in contact with Kaestle Boos.

6. CHIEF'S REPORT

A. Traffic/Sign Report

Sgt. Caswell provided follow-up on two resident request/concerns.

The first one was a request for a crosswalk installation on Prospect Ridge at Quail Ridge. Sgt. Caswell reviewed the area and the resident's concern from March 3, 2023 and determined the following:

Sgt. Caswell spoke with the supervisor at the school bus company and she stated the bus stop is on the east side of Prospect Ridge at the entrance to Quail Ridge. There is no reason for the children to be crossing the road prior to the buses arrival. Due to the fact that Prospect Ridge is a one-way street with low traffic volume as well as the bus stop location, a crosswalk is not recommended at this time.

The second was a request from an Old Sib Road resident who expressed safety concerns over the intersection of Old Sib Road and Blue Ridge Road. The concerns include the speed at which vehicles are traveling down the hill on Blue Ridge Road as well as the sight lines. The resident stated that previously there was a stop sign at this intersection, which has been removed.

Approximately four years ago Town Highway accidentally installed a stop sign at the Old Sib Road / Blue Ridge Road intersection. Sgt. Caswell received a number of calls from the residents stating that there was never a stop sign at that intersection and it needed to be removed. Research of the area showed that the stop sign was never approved for that intersection and it was removed within a few weeks. In order to place a stop sign at the intersection, it would need to be configured as a three way stop, similar to the Mamasco Road / Tackora Trail / Old Sib Road intersection. Sgt. Caswell researched the traffic history of the intersection and found that since 2001 there have been no accidents at that intersection. The traffic volume is much lower due to the high school traffic using Tackora Trail and Mamasco Road to get to school. Sgt. Caswell would recommend that radar details be set up during the high school rush as well as having the foliage trimmed back to improve visibility. Turning that intersection into a 3-way stop is not recommended at this time.
