That the aggregate sum of $707,670 is hereby appropriated by the Town of Ridgefield, Connecticut (the “Town”) and is comprised of $170,800 for the planning, design, acquisition and construction of Ridgefield High School and Scott’s Ridge Middle School entrance guard booth, $272,400 for the planning, design, acquisition, construction and installation of Ridgefield High School front entrance security enclosure and peripherals and $264,470 for the planning, design, acquisition and installation of school district wide safety and security upgrades (the “Projects”). The appropriation may be spent, where appropriate, for design, acquisition, installation, construction, site improvements, removal of materials and discarded equipment, permitting and environmental costs, equipment, materials, architectural, engineering and other consultant fees, legal fees, net interest on borrowings and other financing costs, and other expenses related to the Projects and their financing. The appropriation is inclusive or any and all federal and state grants-in-aid thereof.

Section 2. That the Town issue bonds in an amount not to exceed $707,670 to finance the appropriations for the Projects, provided such bonds shall be issued maturing not later than the maximum maturity permitted by the General Statutes of Connecticut, Revision of 1958, as amended (the “General Statutes”). Said bonds may be issued in one or more series as determined by the First Selectman, in consultation with the Board of Selectmen and the Board of Finance, in the amount necessary to meet the Town’s share of the cost of the Projects determined after considering the estimated amount of any Federal and State grants-in-aid for the Projects, or the actual amount thereof if ascertainable, and the anticipated times of the receipt of the proceeds thereof, provided that the total amount of bonds to be issued shall not be less than an amount which will provide funds sufficient with other funds available for such purpose to pay the principal of and the interest on all temporary borrowings in anticipation of the receipt of the proceeds of said bonds outstanding at the time of the issuance thereof, and to pay for the administrative, financing, legal and other costs of issuance of such bonds. The bonds shall be in the denomination of $5,000 or a whole multiple thereof, be issued on fully registered form, be executed in the name and on behalf of the Town by the facsimile or manual signature of the First Selectman, bear the Town seal or a facsimile thereof, be certified by a bank or trust company, which bank or trust company may be designated the registrar and transfer agent, be payable at a bank or trust company, and be approved as to their legality by Pullman & Comley, LLC. The bonds shall be general obligations
of the Town and each of the bonds shall recite that every requirement of law relating to its issuance has been duly complied with, that such bond is within every debt and other limit prescribed by law, and that the full faith and credit of the Town are pledged to the payment of the principal thereof and the interest thereon. The aggregate principal amount of the bonds of each series to be issued, the annual installments of principal, redemption provisions, if any, the certifying agent, registrar, transfer agent and paying agent, the date, time of issue and sale and other terms, the details and particulars of such bonds, including the approval of the rate or rates of interest, shall be determined by the First Selectman in the best interest of the Town and in accordance with the General Statutes. The amount of the bonds issued shall be reduced by the amount of grants or other funds, if any, received by the Town for any of the Projects and not separately appropriated to pay additional costs of the relevant Project.

Section 3. That the bonds of each series shall be sold by the First Selectman, in consultation with the Board of Selectmen and the Board of Finance, in a competitive offering or by negotiation, in his or her discretion. If sold in a competitive offering, the bonds shall be sold at not less than par and accrued interest on the basis of the lowest net or true interest cost to the Town. A notice of sale or a summary thereof describing the bonds and setting forth the terms and conditions of the sale shall be published in advance of the sale in a recognized publication carrying municipal bond notices and devoted primarily to financial news and the subject of state and municipal bonds. If the bonds are sold by negotiation, the purchase agreement shall be approved and signed by the First Selectman.

Section 4. That the First Selectman is authorized to make temporary borrowings in anticipation of the receipt of the proceeds of said bonds. Notes evidencing such borrowings shall be executed in the name and on behalf of the Town by the facsimile or manual signature of the First Selectman, bear the Town seal or a facsimile thereof, be payable at a bank or trust company designated by the First Selectman, be approved as to their legality by Pullman & Comley, LLC, and be certified by a bank or trust company designated by the First Selectman pursuant to Section 7-373 of the General Statutes. The notes shall be issued with maturity dates which comply with the provisions of the General Statutes governing the issuance of such notes. The notes shall be general obligations of the Town and each of the notes shall recite that every requirement of law relating to its issuance has been duly complied with, that such note is within every debt and other limit prescribed by law, and that the full faith and credit of the Town are pledged to the payment of the principal thereof and the interest thereon. The net interest cost on such notes, including renewals thereof, and the expense of preparing, issuing and marketing them, to the extent paid from proceeds of such renewals or said bonds, may be included as a cost of the Project. Upon the sale of the bonds, the proceeds thereof, to the extent required, shall be applied forthwith to the payment of the principal and interest on any such notes then outstanding or shall be deposited with a bank or trust company in trust for such purpose. The amount of the notes issued shall be reduced by the amount of grants or other funds, if any, received by the Town for any of the Projects and not separately appropriated to pay additional costs of the relevant Project.

Section 5. That the Town hereby declares its official intent under Federal Income Tax Regulations Section 1.150-2 that costs for the Projects may be paid from temporary advances of available funds and that the Town reasonably expects to reimburse any such advances from the proceeds of borrowings in an aggregate principal amount not in excess of the amount of borrowing
authorized above for the Projects. The First Selectman is authorized to amend such declaration of official intent as he or she may deem necessary or advisable and to bind the Town pursuant to such representations and covenants as he or she may deem necessary or advisable in order to maintain the continued exemption from federal income taxation of interest on the bonds, notes or temporary notes authorized by this resolution, if issued on a tax-exempt basis, including covenants to pay rebates of investment earnings to the United States in future years.

Section 6. That the First Selectman is hereby authorized, on behalf of the Town, to make representations and enter into written agreements for the benefit of holders of the aforesaid bonds, notes or temporary notes to provide secondary market disclosure information, which agreements may include such terms as they deem advisable or appropriate in order to comply with applicable laws or rules pertaining to the sale or purchase of such bonds, notes or temporary notes.

Section 7. That the First Selectman is hereby authorized, on behalf of the Town, to enter into any other agreements, instruments, documents and certificates, including tax and investment agreements, for the consummation of the transactions contemplated by this resolution. The First Selectman is hereby authorized, on behalf of the Town, to apply for and accept any and all federal and state loans and/or grants-in-aid for any of the Projects, to expend said funds in accordance with the terms hereof, and in connection therewith to contract in the name of the Town with engineers, contractors and others.

Section 8. That the First Selectman, Town Treasurer, Controller, and other proper officers and officials of the Town are authorized to take all other action which is necessary or desirable to complete the Projects and to issue bonds, notes or temporary notes and obtain other funding to finance the aforesaid appropriations.
